MEMORANDUM FOR: File

SUBJECT: FBI Inquiry

STAT [] called the undersigned and stated that the
STAT Federal Bureau of Investigation had requested information concerning
STAT [] a call that had been made some months ago to the undersigned by one
STAT [] The Bureau wanted to know why he had called.

STAT [] was advised from memory that [] and another
STAT attorney, both of whom held senior maritime licenses (one master and
STAT one first mate) had been referred from [] office for handling.
STAT The two gentlemen had walked into the Administration Building approx-
STAT imately a year ago seeking employment in the intelligence business,
STAT that would take them to India and other points in the Far East, so that
STAT they might join in the fight against Communism. In the course of the
STAT short 15 minute conversation it was indicated that the two gentlemen
STAT had been in Havana at about the time of the Castro takeover of power.

STAT [] and his associate were advised that the information
STAT they provided would be passed to the appropriate officers who would
STAT contact them directly. Some two or three days later [] called
STAT ostensibly from Baltimore to inquire whether the undersigned had any
STAT information concerning the possibility of employment. This is
STAT apparently the call in question. [] was advised that no
STAT information was available but that he could expect to hear from us by
STAT mail within a few days.

STAT [] stated that she felt the foregoing was more than
adequate for her to answer the Bureau inquiry. If further information
was desired she would be in touch.
